“ Happy Birthday sweetie. I love you and I miss you. I miss your little snicker of a laugh and your ornery little ways. You were precious Jeannie. We had the most loving parents, I wish we could live it all over again. We were blessed.

“ I wish we could do it all over again, I don't think we would change a thing, but I would have hugged you more and told you how much you mean to me. I love you Jeannie and I miss you.

“ I love you and I miss you Jeannie. Every now and then I think about that ornery little laugh you had and I smile. Mary said you were the one who remembered every little thing about our family, so we lost a lot of our family history when we lost you. ❤️ you.

“ I miss you Jeannie. It's been a year today, my heart still hurts. You were such a kind and gentle soul. I look back at pictures when we were little, you were the cutest little girl in the whole wide world. I love you, I always will.
