“ *Cathy and Family,*
What a great picture of Esther!! What a joy she was to be with - especially dancing. I loved the stories of her life and the ones of all of you that she told to me. She loved life that is for sure. I can think of very few "seniors" who had her physical energy. I think the longest I ever saw her sit still was on a bus trip to New York. While most of us napped on the way home - not Esther - that little red headed everready bunny was still going. To see her in a wheelchair was just not a situation that I could imagine Esther accepting for too long. I will always think of her and thoughts of her will always make me smile. She adored her family and was so proud of each and every one of you.

"Mom-Mom" to my children, who loved her as dearly as she did them. I am grateful to have been blessed with her in our lives.....rest in peace now Esther, you're in your Father's arms now.
