“ *i am ethan's sister Olivia. i don't know if anyone actually looks here but i am very thankful towards this funeral home. thry gave my sister and i a bear to remember him by and i LOVE it, it is the best thing. when i miss him more than usual i just sniggle up to it. i am 13 now and i was almost 5 when he was born sleeping. i miss him soooooo much and it is still so surreal. i still have not gotten over his death but considering the same thing happened to his younger brother kaleb, i have a lot to deal with. the only memory i have is listning to his heart beat, holding him, the funeral, and my daddy carrying me back to the hospitol room telling me that he was crying for no reason, which i soon learned was a lie. but it is ok, i have been blessed with a brother that is alive and has his first name Kaiden, the k for kaled and his middle name elijah, the E for ethan. then i have also been blessed with a buetiful little sis Gabriella, who we call Ella*
