“ Jason and Shawn, I was very saddened to learn of the passing of your father. He always treated me well back when I would spend the summers at your home in Laurel. One very fond memory I have of him is the time he took me to Montgomery Wards to buy a bathing cap so he could teach me how to swim. We are standing there looking and he says to me, why don't you buy the white one. I was dumbfounded because there wasn't a white one there. He finally reaches out and grabs this bright lavender bathing cap and says, white will go with everything. I did not know at the time he was color blind. After all these years, I've never forgotten that day. He was a good person and he will truly be missed. Aunt Danna

“ It's been wonderful having Gene as our long time neighbor and friend! Always willing to give a helping hand, Gene helped put a new fascia and vents on the outside of our house. He was very particular about his work and he let you know, with a smile of course! I remember when our grandson was about 2yr. old he would always stop and play with the stones in Genes driveway. Gene would say "Brody could probably sit and play there all day" give a little chuckle and go about his work. Gene you will be truly missed! Peace be with you and your family, Bill Kathy Beavers & family

“ Gene was our neighbor. He loved his boys, was always there with an extra hand and he had a good heart. We will miss him very much. I have many fond memories but will miss talking with him in the front yard the most. He was a good neighbor and a great friend to me, my wife and children. I wish the deepest condolences to the ones that cared for him as well as the ones Gene cared for. Jon Potter
