“ "Miss Thelma" and I want to let you know that you are in our thoughts and prayers during this time. We have a lot of great memories of growing up just two doors from you all, and still think about those days often. Of course, we were all the most well-behaved kids in the neighborhood and Miss Thelma kept us all well fed. Ha. Ha. Just a light hearted expression of our love to you all.

“ Dear Legg Family,
My husband, JR and I wish to express our sympathy for you loss. I have many fond memories of your Mom and Dad. I remember your Dad always laughing and carrying on with my Dad. I remember when your Mom babysat my sister Debby and I when we were kids. I remember going to their house at the end of Thompson Creek Road while our parents played cards, drank beer, and laughed the night away. I'm sure you all miss him dearly. May the Lord give you the peace only He can provide. Brenda (Aaron) Faulkner###imported-begin###Brenda Faulkner###imported-end##
