“ Joyce, Buddy and family; My heart is heavy as i read of your moms passing. Its amazing as our father connects us , I was sitting in a mechanic shop in chestertown one day a few months ago. I noticed this god sent kindred spirit sitting across the waiting room. Well , small talk led us to our introduction, in which i remember going to high school with her brother, Buddy. Joyce shared with me of her mothers illness. I remember Mrs. campbell and her family, and of my high school youth and of her strength of giving her solidarity to her children and their activities in school. not to mention her extreme strength and pride in the town of bettertown. I am so saddened of her passing, of the loss that her children are feeling but in also what our future kingdom will gain, in having such a leader and advocate for our heavenly kingdom.

God Bless You Joyce, Buddy and your family as you endure and celebrate the passing of your mother to our heavenly father. Arthur Godfrey/ Seaford Delaware, a former KCHS Class mate

“ *My condolences to the Campbell family. Miss Ebbie was one of the Betterton GoldenOldies...I remember when the firehouse phones rang at her house and she would run down to the firehouse and sound the alarms. She was one of a kind. god rest her soul.*

“ *Growing up only 2 doors down , and having 2 of the greatest memories of growing up with her and her husband Roger, and Buddy and Joyce their kids. They were like my family. After my own mom passed EBBIE was my stand in mom. As a matter of fact that's what she told the people I worked with at Super Fresh and Fresh and Greens. She was never afraid to step in and correct us growing up. I didn't like it back then but I never lost respect for her. I better not either Jack LUIKE would have kicked my behind. She took care of us as if we were her own. Even though I don't know if I ever told her , but I feel very blessed to have had her in my life. She will be missed . But the bond our families had will be here to stay forever . Buddy and Joyce our parents are back together probably playing cards and partying as they did when we were young. But we have to be extra good now becuz we can't hide stuff from them like we did back then. They're watching over us from heaven. God take good care of EBBIE , and if she can read this I want you to know that I love you and I want to thank you for all of the years you spent keeping us in line. Your guidance and care has always been appreciated. With all of my love and respect , JOAN Luike Gsell*
