“ Dear Jenn,

*I have been thinking about your mother for the past several weeks. She was a great person and I feel blessed to be counted among her friends from the Institutes. I moved to California in 2002. Prior to that I visited her many times in Heron Point along with Celeste Kauffman and Mary Ellen Sampson. We had such fun. She gifted me a darling cross stitch picture of a beaver which she named Optimism via mail in May, 2003. I shall always treasure it and her note (which is taped to the back) as I did our friendship. Sadly, I am the only one left of our group now and I regret that I didn't keep in touch with her as I thought of her often.*

*Please accept my condolences and pass them along to your brother.*

*Sincerely,  
Eleanor Weidner*

“ I worked with Jean at the Insurance Institutes in Malvern, PA, and remember her so fondly for her dry wit and great attitude. She was a joy to know and work with!
