“ I greatly miss my dear friend, Evelyn, a beautiful lady, both inside and out. We worked together at Fort Belvoir and maintained our friendship after we retired. Evelyn brought joy and laughter wherever she went. She had many talents, from playing and teaching piano to skateboarding into her 70s, creating and keeping a beautiful home, and tending her flower garden with love and care. She was fiercely devoted to her colorful family as well as her many friends. Rest in peace, sweet Evelyn.

“ Evelyn and I shared a special friendship! I will miss her with, our talks and time spent together. She shared so much wisdom and love of ancestry and her family. Witnessing the great love and care that friends and neighbors came together and showed Evelyn during her illness was a testimony of how we are all called to care for and love one another. Evelyn loved the fact that her family and so many helped care for. Keeping you all in prayer for strength and peace in the days.

“ Evelyn became our temporary church pianist for Sunday services and graciously shared her gift of music with her church family. She said it was her dream job and we all cheered her on! Evelyn asked my husband and I to lead the hymns as she played for the 8 am services and we gladly agreed. It seemed to give her an extra dose of confidence. It has been our joy to know this special lady who also helped care for and plant one of the larger church gardens. Evelyn loved getting a deal from a nursery to help beautify our church and glorify our God. She fought a courageous battle against cancer and is now enjoying the cure God had planned for her.
