“ My husband and I live in Hyde Park. We have known Evelyn since 2012. The last time we saw her was Friday evening November 10th. She had been grocery shopping and she was sitting in her car and she had taken out her groceries and they were sitting behind her car. Over the years, she came to our door frequently to talk to my husband about cutting her grass. She was at our door just last week and wanted to hold off on some landscaping. We loved her. She was the sweetest and kindest woman! I always complimented her on how cute she dressed with her pedal pushers and pearl earrings and her hair was beautiful. Evelyn always hand carried her check to my husband in person for cutting her grass. She was never late and always grateful. We are so remorseful that she is gone. She called me once and mentioned to me how she would like to find a church to go to and we would have taken her to our church but we had not found a church home, yet, at that time. Evelyn had a beautiful soul. She was beautiful inside and out. I visited her several weeks ago and she told me that she had the flu and to not come near. She spoke of her daughter and grandgirl all the time. She loved her family so much and had told us she might be moving in with her daughter. Fly high, Evelyn. Take your rest. You were amazing. John 3:16: For God so loved the world that He gave His Only Begotten Son, Jesus Christ, that whosoever believes in Jesus Christ will not perish but will have everlasting life.
