“ Wanda- My heart aches for you. I know how close you and your  
family were with your mother. I`m glad you were all there with her at  
the end. That`s important. You have a great support group, but if  
you need to reach beyond the family, I`ll be there if you need  
anything, as well as many, many other friends you have.  
Life has not ended, merely changed.##imported-begin##Kathy
