“ Our condolences and prayers to Jan and her family. Years ago, Cole, Jan and children would visit our place during the summer when they would spend the day crabbing on the Wye River. They enjoyed a great day and Jan would treat Liz and I with a homebaked pineapple upside down cake!
Peace to this family!

“ *Mr Taylor had the greatest smile! Their house was the best part of our youth group progressive dinners. Perhaps the sweetest memory was that as our family dog got really really old, he made sure he had something at home to put her out of her misery if we needed to in the middle of the night it shows his truly caring nature.... for our family dog and for us. So glad he was part of my growing up years. So glad Mr and Mrs Taylor were part of the “ramp group” with my parents!*
