“ We knew Fanita as “Sam” while we were neighbors in Alabama. While neighbors, Sam attended our kids’ baby dedications, celebrated a couple of their birthday parties.. she enjoyed attracting birds to her beautiful yard and tenderly cared for her orchids. She was fond of cats and at that time had a precious Cavalier Spaniel named Patches. After “Sam” moved back to her beloved Maryland to be closer to family we stayed in touch with frequent greeting cards, some phone calls and e-mails. “Sam” had a tender and generous heart. We always enjoyed hearing about the variety of trips she took when her health was where she could. We will miss hearing her sweet voice over the phone but are thankful she’s no longer suffering with health issues. God surely welcomed “Sam” with open arms.

“ My Gammy Sam was the true definition of a Grandmother. So sweet & loving, always showering me in compliments & praise. I’m so lucky to have been able to call you mine. 💔
