“ *Smitty and Lisa: What a shock losing Faye. She surely was a wonderful citizen of Queen Anne's County and loved the youth. Her legacy will live on forever with those that knew and loved her. The County will not be the same. She always had a smile and wanted to share a story or thought. Her memories will live on in our hearts and we send our deepest sympathy and prayers to you. She may be gone, but will never be forgotten. Heaven now has someone to teach others about life. Gene and Lynda Palmatary*

*Awww Niki what a beautiful picture of your and your Granny. As you know, she was a very loved member of the community, but I would bet more than anything, she was proud of her children and grandchildren. Sending love to you and your mom and your entire family. (Ms. Christy, a friend of your mom)*

“ Mr. Smitty and Lisa- please accept my sincere sympathy. I just saw her at the conclusion of her sleep study at EMH right before Thanksgiving. Our community has lost a wonderful lady, an advocate for our youth, an awesome softball player, and truly a pillar of character. May your wonderful memories and knowing that she had an impact on literally hundreds of lives, help you through this difficult time.

“ Faye was a pillar of the community. She was an advocate for the children of Queen Anne’s County and recognized and supported the efforts of teachers with both her words and deeds. She will surely be missed by the citizens of this county. My life is a little better for having known her. I am sure God has prepared a special place for her in heaven. -Curtis George
