

Fletcher Dane Presgraves

October 5, 2006 - May 28, 2012

Fletcher Dane Presgraves, 5, of Centreville passed away on Monday, May 28, 2012. Born on October 5, 2006, Fletcher made a huge impact on everyone he met. He flashed his big smile to get away with whatever mischievous and ornery thing he was doing. He loved Woody from Toy Story and chewing on - and consequently scaring people with - his toy rubber snake. Fletcher enjoyed music, playing with his piano, and banging things together to create his own instruments. He was a one-of-a-kind boy who always did things on his own terms. A student at Centreville Elementary School, Fletcher was adored by his classmates, teachers, and assistants. In addition, he constantly amazed all the therapists and doctors who have ever worked with him. To know Fletcher was to love Fletcher and he will be sorely missed by all.

Fletcher is survived by his loving parents, Darian and Julie Presgraves, little sister, Darby; maternal grandparents Bert Poort and Elly Poort, and his Aunt Gillian Poort and her partner, Kristy, all of California; paternal grandparents, Daniel Presgraves and Louise Presgraves of Maryland; his Aunt Donna Knepp and her husband, Chris, of Virginia and cousins, Jacob and Hailey Knepp; Godmother Liane Adamo of Colorado and too many friends to ever mention by name.

All services will be held at the Centreville United Methodist Church at 608 Church Hill Rd, Centreville, MD. Viewings will be at 3:00 pm - 5:00 pm and 7:00 pm - 9:00 pm on Friday, June 1, 2012. The memorial service will be at 6:00 pm on Saturday, June 2, 2012. A coffee and dessert reception will follow

in the church hall. All who loved Fletcher are welcome and encouraged to attend.

In lieu of flowers, you may make a tax-deductible donation to the Fletcher Presgraves Memorial Fund, c/o PNC Bank, 210 E Water Street, Centreville, MD 21617 or you may mail it to Darian and Julie directly at 316 Kidwell Avenue, Centreville, MD 21617.

Dear Darian, Julie & Darby

I was so sad and sorry to hear about Fletcher. I will miss his precious smile and would enjoy watching him when he would be playing with his toys. He would always go non-stop from one toy to another and was having so much fun. When Grandpa Dan and I would go shopping for Fletcher we would always make sure we got him something that made loud sounds and with bright lights, He is a bright light in heaven now. He will always have a special place in my heart.

My deepest sympathy to the family

Love, Nancy Curtis

“ *Dear Darian and Julie,*

I can't tell you how sorry we are to hear about your loss. I was lucky enough to exchange smiles with him in the hallway a week ago, and I thank God for that. Fletcher had a way of sending this warm heavenly feeling that not many can do. And that was just with his presence. If he smiled at you, well that's a whole other story! You knew right there and then, with that smile that Heaven existed and everything was going to be ok.

Darian, Julie and little Darby, what I really want to say is thank you. I am a better person today just to have known Fletcher. We all are! God Bless you and your family.
