Mrs. Flora and Mr. Harold were my neighbors across the street for many years on Haven until they moved to Hynson Road. They were the sweetest couple! Mrs. Flora always had a smile on her face, especially when the neighborhood children were outside, or when we were chasing one of my two dogs. She was the sweetest, kindest, gentlest soul and I truly miss my neighbors. May you find comfort that she is with her beloved again. Prayers of comfort lifted up.

“ *I remember my grandmother, Flora, always having a smile on her face when I saw her..we would sit down at family gatherings and talk and giggle! I loved her sense of humor and silliness. I loved hearing her stories of my mom and her siblings when they were young. My brothers and I were the first set of grandchildren.. Flora was so happy holding us and singing to us. I have so many memories of her, I can write a book. I will always remember her generosity and love she shared. She lived a very happy life, loved and known by many. I will never forget her, and I will always have a place for her in my heart forever...*
