3/18/`15: We were just chatting about our high school in Kings Park, N.Y. and our French classes with Florence de Nagy. I even went to Paris to study in 1967 under the auspices of her high achieving French Student Program. We both loved French! In later years, I was teaching Spanish (go figure!) in Liberty Central High School, N.Y. when I met Florence again. She became an English teacher in the same high school. Small world! Anyway, I thought I'd "Google" her, and read the obituary. Please accept our sincere sympathies.....we LOVED her French classes!
