So many memories flood through my mind of my childhood years with you and Aunt Penny. I'm still in disbelief that you have gained your wings and now you're soaring through heaven watching over all of us. I can only imagine how happy you are to no longer be suffering. You lived a great life unc and all of us who Were blessed to be a part of your life are most definitely winners. I can see you now running those dogs and chasing those rabbits in heaven. I bet mom and Jason were waiting for you at the gate along with all those who have gone before us to prepare the most glorious home. I love you Unc, rest easy nowoh and do me a favor can you keep those fruit cups stacked up for me, because in your words ... I'm gonna eat'um like a fat rat" lol
