“ *Dear Jason and family,*

We want to express our deepest sympathy for the lost of our dearest Fran.

She will always be remembered by her love, generosity and wittiness.

She had such love for the ministry and her love for the meetings, was an encouragement for us.

She loved making and sharing her famous zucchini bread, cranberry sauce and apple crisp.

She loved talking about her adventurous times she enjoyed climbing trees with her grandson Jason while he was hunting. She often talked about her love for potato chips and fries.

We look forward to seeing her when she awakens from sleep.

The hope of the resurrection was what she entertained.

She will be missed dearly.

Again with sincere sympathy,

To Jason and family, please know you're in our thoughts and prayers as you grieving the loss of your loving Grandmother. please Know she loved you dearly. It was such an honor and a privilege to have known her. We will surely miss our dear sister & friend. My family and I truly enjoyed Fran's company, She was such a lady. Very encouraging, always out in the ministry to preach & teach about God's Kingdom. Her presence alone inspired all of us. I especially enjoyed our times we would go to Boscov's & Macy's, then lunch at the foodcourt at the mall. If she didn't want much to eat she'll always had a French fries. Did I mention that she was also a great cook!!! We'll always love and certainly cherish all the wonderful memories we shared with our dearest Fran

yearly visit where we would talk and talk and talk. We shared so many fun and enjoyable times. I missed you when you moved to Maryland, but we could at least talk to each other. I will cherish all of the memories that we shared. You are at peace now, my dear friend. Your memory will always be in my heart.

*Love Always,

“ My thoughts and prayers go out to the family of Dear Fran. She was a sister and a friend. I always enjoyed talking or helping her whatever she needed. Every week I took her the Giant, Acme and Food Lion sale papers because she didn't get them. She was such a loving and caring soul. I will surely miss her and her perkiness.
