“ I met Frances ("Mom Mom") around the time my daughter Jody became engaged to Dale. My first thought was "I want to be like her when I grow up". She was delightful to be around and had a sense of humor that not only kept you laughing, but waiting for her next quip followed by that sly grin. In a duel of wits with her the best most of us could hope for was to surrender peacefully. I am sure the giggle counter in Heaven is clicking away as she makes her rounds among old friends.
