“ I was shocked to see Fran's obit on FHN website. I was so happy to have spent the day with Fran at the Marling Farms picnic. We visited our family histories, who when and where everyone was-- what a nice day. Ed and Fran were our neighbors for many years and were both wonderful people. This world needs more Ed and Fran's! Love to all--she loved all of you with all her heart.##imported-begin##Wheeler and Holly Baker##imported-end##

“ My Mom Mom was the most loving person. There was nothing she would not have given to any of us had we truly needed it. She always thought the best of her family no matter the path they chose. My grandmother was a straight shooter. Always telling you the truth even if you didnt want to hear it, and then following up with "you know what? I love you" I will miss my grandmother dearly... "Other than that Miss Lincoln, how did you enjoy the show?"##imported-begin##Jennifer Mahaffey##imported-end##
