Dr. Stout ,I met you at the Gardens a couple of years ago when I was assisting a client there. In the summer and fall evenings we would go out front and sit near the bird feeders in front of the building. You sat with us once and I couldn't help but notice almost every you would be there to spend time with your lovely wife. I always tried to keep my eyes on her to make sure she was comfortable. Sorry to hear she passed; she is with the Angels now. Peace to you and your family.
