“ *Our best wishes are with Frank's family...he will be missed by all. Frank always greeted us with a smiling face and my daughter especially always enjoyed his greeting when she came into the store. She was only 5 when she started calling him "Ciao Man". He treated us like family and even had special treats for us to take home to our family dog. As others have said, Frank liked his four legged friends too !!*

So "ciao" to you too Frank. Thank you so much for your kind ways over all the years we have known you.

“ *My prayers to your family. When I lived on the Eastern Shore I used to love going in to La Piazza just to see Mr. Frank's smiling face! When I moved over to the Western Shore, I would visit my daughter and I would make it a point to go and eat at La Piazza just to see Mr. Frank. He always brought a smile to my face! He was a ray of sunshine in my life.*

“ *This truly saddens my heart! Mr. Loforte was/is such a great man with a very kind heart. I will miss seeing your smiling face when I saw you come to my job and you saying there's my girl. Or you telling me not to get lunch because you were going to bring me back one of your pizzas and that La Piazza had the best pizza (which it did). My thoughts and prayers go out to your family!*

“ *My wonderful love. The first day that i walked into your restaurant we became friends (97) Over the years our friendship has grown so much. You took a liking to me so much I called you Papa and you called me baby. Even when I had TJ you were right there calling him little Frank. It was never a time that we came in you didnt take him behind the counter with you giving him quarters and anything else he wanted. I'm truly going to miss you. Rest In Peace*

Love you always,
