“ *Well done thou good and faithful servant, welcome to the place where you belong. You have run the race and now you're home. To the family, I send my deepest condolences. May God give you peace, comfort and strength during this time and always. I have so many laughable memories of your dad. I first met him in 2002 when I become employed with Office of the Public Defender. I took one look at this tall guy with a stern face and the pit bull bark, I was literally scared to death. Once you got to know Steve all of what I inhaled my very first day was really not him. He was actually a warm and fuzzy little teddy bear. Goodbye my dear friend, I will miss you tremendously!*
