“ Betty -our thoughts and prayers are with you and the family. Many fond memories of our times with you and Lou. Since cousin Lou was ten years older than me, I always enjoyed the times that I shared in my youth with him at family reunions and visits to the family farm.. He was family, friend and mentor to me. Cherish the times and memories!

“ Love to Betty and family--Memories are golden. Louie was a good guy with a big heart and a beautiful smile. He will be missed on this earth but welcomed in heaven by lots of loving family, and they are all watching over us. Being my "older" boy cousin, my memories are good ones...he was never selfish or unkind...he was a good friend when we were youngsters with lots of family gatherings and at the farm. I think yours was the first "family" wedding I remember. You are all in my prayers....love to you all. Cathy Beard
