*What a beautiful tribute to Frank. I cant stop crying... I will miss him truly. Frank was such a wonderful good hearted man. I will miss joining you guys for breakfast at the shows. Our wonderful talks and his fatherly advice. Frank always checked up on me at the shows to make sure if I was ok and always asked if needed anything or needed a hand. Frank was such a gentleman, scholar of a friend. Frank you will be truly missed!!! Thank you for always being there for me!!! I will truly miss you!!! “ *Sending condolences to the family. Frank was a member of our graduating class of 1961. He was a fine classmate and genuine nice guy. May you find comfort knowing that someone from so many years ago remembers him from that time. I wish all of you peace as you share his life joys during these days, months, and years ahead. “ I have had you 71 years of my life, I've known you the longest, loved you the longest of anyone in my life. We have laughed, argued and loved each other. Good times and bad, I knew you were there and now you are not. My journey through life will be a little harder not having you there. I can not believe I will never hear your voice or see your smile.
