*I am blessed to have known Mo and worked along side him on many tasks while at KIVFD. Mo was an brilliant, amazing role model and mentor to so many. Teaching morals and respect encouraging and teaching all he mentored to follow their passion in the EMS and fire service. Witnessing the love Carol and him had for one another touched my heart. Carol, you were an amazing wife and the best caregiver. May the love you shared and the wonderful times you all spent together carry on forever. May you always know and feel how much he loved you all.*

*"Matthew 5:4 Blessed are those who mourn, for they will be comforted".*

*Please know we are here for you for anything you may need. Mo's legacy will live on forever in our department forever.*

*Rest in peace dear Mo.*
