“ Frank was instrumental in guiding me throughout my career as an owner of a Fluid Power Distribution Company. He always took the time to go out of his way to provide all the resources of Versa Products Co. to assist my company. Frank was a mentor, educator, and a confidant that I could reach out to at anytime. He was a true friend to everyone that was associated with Konstance Pneumatics Inc. My deepest sympathies to the Vetter family.

Respectfully,
Mike Cooper
