“ I had some of the most interesting conversation with Frank. I unfortunately only met Frank a few years ago but have cherished the little time afforded me. Frank was a very thoughtful, organized and deeply caring individual with an opinion. I found Frank to be intelligent and someone I loved to be around to just talk. I will miss Frank but cherish his memory forever. Love ya Frank!

“ I,am so sorry to hear of franks passing.my prayers are with all of you. I talked with him many times when he would bring his hunters in to me to have there geese and ducks dressed. I always enjoyed chatting with him even though mostly about hunting. My memories of those days will never be forgotten... Betty WALBERT Ainsworth

“ Dear Charmayne and Families:

*It is with great sadness that we have lost a remarkable man. Mr. Frank has been a big part of my life growing up and his wife worked for my Brother-In Law. There isn't one thing that this family wouldn't do for another person or family. He loved his farm and farming and I can't begin to tell you how many times my husband wish he could of had that farm. God didn't have that in our plan. I am going to miss Mr. Frank so much and it still has not felt like this is real. Thank-you my Angel for always being there for my family and what a role model you have been to us . Please say hi to my Dad and Mom and know that one day we will hopefully see each other again.*

*Charmayne I love you and sending prayers your way and when some time has passed I will call you. I know your family needs time and know no matter what time of the day or night you have our number and please if you need anything, please do not hesitate to call us. You have a shining angel all over your family looking down and will always be there. We love you all.*

“ Does anyone know the story of one of our Presidents coming to shoot on Mr. Dierker's farm? He(Mr Dierker) was told he could not carry a gun.He then said if He could not shoot there would be no hunt. Is this so? and tell us more if you know....A man of courage, obviously.
