“ Gennifer and family,

*Even though it has been many years ago that we were all friends I was very saddened to learn of the passing of Frank. I have many childhood memories that I shared with Frankie like camping in PA, catching minnows at the creek, and working on our bikes in the neighborhood. Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow. You and your family are in my prayers.*

“ Genn,  
So sorry to hear of your loss. While I have never experience the loss of a spouse, I do know what it's like to have a loved one here one minute and gone the next. It's not an easy thing to deal with. Let me encourage you to take it one day at a time, allow friends and family to help, and most of all find strength in your faith. May you and the kids have all of the support and love you need to pick up and move on.
