*Nancy, I loved seeing Frank every time I came to work on your horses. After getting to know him better, he used to enjoy showing me the equipment, outbuildings and your new deck outside the kitchen. I'm so sorry for his passing. You are in my thoughts and prayers.

“ I wish that there were some magical words that could take your pain. There isn't. But I still wish I could. I wish that I could be there to give you all a hug, to sit with you. I can't. But I will share your tears, while knowing that anything I feel is nothing compared to what you are all actually going through. You all are in my thoughts, and will continue to be so.
