“ Chris, Bob, Liz, Ann: I was very saddened when I heard from Peggy that your mother had passed away. She was a tremendous help to us when I was assigned to USARIEM from the lab in Alaska back in August, 1972 and continued to be a close friend during our time at Natick. I have many fond memories of both your mother and father, who was instrumental in my Army career, and of the times we house-sat you all when they were out of town. Please accept my sincere condolences for your loss. Your mother was a great lady who will be missed.

“ The annual Super Bowl party, the (almost) monthly happy hours, the home at Ferry Point Court was a constant destination for many of us. Ricky was also a traveling companion par excellence! Italy, Spain, England, Scotland, Ireland, Germany/Austria, Italy (yes, twice). Her smile will be missed. Ray Brokamp

“ *As a new Army wife who was about to move to Fairbanks, Alaska, Ricky quickly became my mentor and champion. We soon became very good friends and followed each other in several moves. I always valued our time together and her wisdom and humor. She will be missed by many, but welcomed home by LeeRoy and her other loved ones.*
