“ I will remember Mrs. Thomas for her jovial laugh as we met at my niece's house for a summer picnic. She certainly enjoyed herself and seemed to look forward to seeing family and friends she had not seen in the past year. We missed her the past couple of summers too. She was a wonderful woman who loved being around people and helping people. I know her family will miss her as will her social family (friends). My condolences to Dickie and Bonnie Lou and Danny. Remember the happy times with your mother and laugh out loud at the fun things you remember. Rita and Eddie Kulley.

“ My very first memory of the education of special needs children came with Miss Freida and her advocacy and support for her son. I remember her passing my buss stop early in the morning with him in the car. She was the foundation of that education long before it became a popular idea or position to do so. She was a trail blazer in this county IMHO. There was never a more devoted parent then she. God Bless her! RIP Miss Freida.
