“ *I had the pleasure of meeting Chuck thru work when he moved to Preston. He was always a great customer but more important to me was the opportunity to become friends with him. My thoughts and prayers are with his family. Dean Tilghman*

“ *What an amazing person he was! So good to his family, my sister and his son's family, and his mom. So smart in business and the development of his farm- be it in Maryland or Water Mill. A sage when it comes to sound reason and a will that demonstrated strength and direction. You will be missed, Chuck, but never forgotten. Rest in peace, brother, you were loved. Bob and Vicki*

“ Meeting Chuck was a memorable time in our lives. He was a good person, neighbor and friend. We are both saddened by his passing. He leaves a legacy and something to aspire to. The song may have ended but the melody lives on. RIP
