“ *I remember many chats we would have when Gail substituted at Dobson School. I always knew that my boys and girls were in caring hands when she substituted for my class. No matter how the day was going, Gail always had a smile on her face and a positive word to say. Fondly, Brenda Davidson*

“ I am so sorry to learn of Gail's passing. She was a substitute teacher when my son, Joseph, was in elementary school. When we would see each other in the grocery store, even after he graduated from college, she always asked about him by name. Gail was a caring person and will be greatly missed.
