

Garett "Brooks" Daubach

April 25, 1981 - January 27, 2020

Garett Holbrook Daubach, known fondly as Brooks, passed away unexpectedly on Monday, January 27, 2020.

Brooks' life began on April 25, 1981, in Baltimore, MD. He attended St. Michaels Elementary, Middle, and High School. After graduating from high school, Brooks began his career at a home improvement store, quickly working his way up the corporate ladder to his current job as a regional sales director for Dahua. Even though he was a bit of a diamond in the rough, Brooks' ability to read situations, high morals, and his impressive work ethic allowed him to have great success professionally.

Brooks was a mentor to many and encouraged everyone he knew to be the best version of themselves. Throughout all the changes in his life, one thing was always a constant – family. Brooks was a true family man, often spending his free time boating, hunting, camping, going to concerts and movies, and helping others.

He achieved his favorite title of “Daddy” on November 27, 2002, to his princess, Abbye. Brooks married the love of his life, Amanda, on October 15, 2016. His faithful four-legged companion, Sadie, was an additional bright spot in his life.

Brooks was known for his decorum, random acts of kindness and generosity, intense meme battles, quick comebacks, and most importantly, his protective nature of family, friends, and even people that he had just met. Not many things in life were bigger than Brooks, but his heart definitely was. Brooks lent a helping hand whenever it was needed, often before assistance was requested. He was an avid Ravens fan, professional hug giver, and inspired competitive sushi eater.

In addition to his wife and daughter, Brooks is survived by his mother and father, Robin and Bryan; his grandmother, Sylvia; his brother, Wayne (Christine); his sister, Ashleigh (Andrew); his favorite nephews, Ethan and Colin; and countless aunts, uncles, and cousins.

Brooks was predeceased by his maternal grandparents, Elizabeth and Jerry Meyers, and his paternal grandfather, Herb Daubach.

A Celebration of Life will be held on Saturday, February 8, from 2:00 – 5:00 PM, at Easton Fire Department, 315 Leonard Rieck Drive, Easton, Maryland 21601.

In lieu of flowers, memorial contributions can be made in Brooks' name to the Caroline County Humane Society, 407 Belle Road, Ridgely, Maryland 21660.

“ *I can think of a lot of words to describe Brooks, integrity, family, compassionate, motivated, goal oriented, jovial, sushi lover. To me he was simply Brooks, a one of a kind person that I was lucky enough to know over the past several years and call friend. He'll never be forgotten.*

“ Brooks was one of the best friends anyone could have growing up! From player backyard football, soccer, swimming, riding bikes through St. Mikes, going out on the boat, sleep overs, playing video games, birthday parties...etc. we spent tons of time together and I'm so grateful to have had him as a friend.

He wasn't just a good person he was great and loved by many. My deepest sympathy goes out to him and his family. You are loved and will never be forgotten.

“ Grieve a period as all we must.... but those who pass in the LORD are not lost to us.... rather only separated for a time that we may anticipate and affirm all the more that sweet and eternal reunion,” Brooks & I went to school together from Elementary to High School. He was a great person. To his parents, wife, daughter, family & friends May God Be With You.

“ Brooks and my son, Frank were great friends! I came to know Brooks from his many days at Sentimental Journey Antiques helping my son keep the world straight. Amanda, my daughter, also knew and loved this big wonderful guy. Two Saturdays ago, I was at Pizazzzz, the door opened and a big booming voice said " Ms. Sandy, I need a HUG"....It was Brooks and his lovely wife.....They were in the store for about 20 minutes and we talked about old times, good times and lots of stuff....When Brooks went to leave he came and gave me another famous bear hug. I walked to the door with them. Little did I know that I wouldn't see this gentle giant again until I get up there in heaven. My heart goes out to all of the family.....

“ I had the pleasure of working with Brooks for the past several months. Brooks was always kind and compassionate. No more than a month ago during the sales meeting, he offered his clicker when ours was not working and literally saved my day. I also remember him sharing the story of his tattoo that's his daughter's name. Your passion and compassion will surely be missed. Most sincere condolences to his family.

“ I first met Brooks in our Markham office (in Canada) last September, when he came in for the first annual Dahua North America Dealer Summit that was held at a resort north of Toronto. Seeing Brooks a few weeks ago in Irvine, allowed me to get to know who he was, not only in work mode but as a warm, full of laughter, caring person. Something I shared with a few people last week was ... it seemed funny to know someone for just a short time but still feel the positive effect he had. My heartfelt condolences to the entire Daubach family.

“ I am not sure if there are enough words that can describe the beautiful soul that Brooks was. I was lucky enough to have known him in the beginning of my role at Dahua and together we worked side by side to create what was the beginning of a new work chapter in his life. He was the essence of a great man, dedicated to his work, to his family, and to those that he believed so strongly in. The Dahua family will never be the same without him and I can only hope that he is watching over all of us and can feel how absolutely loved he was in this life.

“ In the short time I was able to work with Brooks he was supportive, encouraging and most of all became a good friend. He had an amazing sense of humor which was always shown by that larger than life laugh (I called his Seth Rogan laugh). A huge loss to our industry and to anyone who was lucky enough to know him. My condolences to Brooks entire family. My thoughts are with you.

“ I’m still trying to find the words to describe my friend. We instantly fell into a rhythm working together and he quickly became a close friend. He had that ability to light up a room and to eventually bring out the best in everyone he touched. I admired his refusal to give up on any of his team and kept pushing us to all be our best. My heart goes out to his wife, daughter and the rest of the Daubach family. His memory will live on forever in those he touched.

“ Brooks was a welcome addition to my personal and business life. I expected to spend many more years with his laughter and pranks.

I always say any day is a great day on this side of the grass, but this week it was just a little darker for the world.

We were conquering the world together earlier that day.
