“ Uncle Net where to do I begin I'm going to say that this is still truly unbelievable to me I guess I thought you was going to live forever but I thank God for allowing us to have you for 81 years...You brought us so much wisdom, laughter, joy and to show what true faith in God truly was when he took all 3 of your sons that were like brothers to me... You showed us love, patience and understanding when I think back on the memories sometimes I laugh and other times I cry, the other day I was watching you and your Queen(Aunt Audy) dancing, what you loved to do and I began to tear up and then I said to myself what you would say what you crying over me for I'm in a better place then you and wouldn't want to come back there not after I done met my Saviour.....I just want you to know how much I loved you then and love you now and we will watch and take care of your Queen she's in good hands with us and God.....So rest and please tell Sonny, Nudy and Vess how much I miss them and love them as well....

“ Uncle Net do not know were to begin but we have so many memories and I do thank God for allowing me to have you here for 81 years. Just was looking at a video of you and Aunt Mildred the other night so many memories. You will be truly missed. Hearing you voice on the phone and at family functions but I know God knows best. When I last saw you was on Sept 21 at a wedding and we talked and laugh that night. I know you with your boys. Just know you will be truly missed but forever in our hearts. We love you Angie & Al

“ Our beloved uncle the time has come to let you go, but we don't want to. The Lord has called for you his Angel; we're not going to say good bye but see you later. We will embrace our memories of you and hold them tightly; helping us get through the days, weeks, months and year. As you look down on us from a far smiling from ear to ear, letting us know you made it to heaven and you're okay. Until we meet again.

Love and miss you dearly,

Greg, Tangyla, Xavier, Ahjalah, and Greg, Jr.

“ *It was my privilege to know Garnett. He was a great person, loved
the Lord and especially his wife and family. I will always remember
his great outlook on life and his faith in the Lord when his health
took a turn. He inspired me greatly. Jimmy Snyder*
