This photo was taken in the late 1980s, when we were much, much younger and ready to take on the world as Maryland State Troopers (let's not forget our PCO Melissa). We were very fortunate to have Cpl. Gary Wisniewski as our 1st line supervisor. We were a young group and had a lot to learn. Gary was very patient with us and was always willing to answer questions and share his experiences with us. He made working speed enforcement initiatives fun and motivated us to work hard and serve the citizens of Maryland with pride.

“ *The best of times...being 18 years old and a new cadet at the Marlboro scale house where everybody got a nickname. "Pete", Griff", "Moose", "Rip", "Knott head" were all part of the gang. Not easy to mold a bunch of kids strait out of high school into troopers but they took it on and showed us the way. Yeah, they liked to screw with us a lot too but those times are the best memories and NOBODY could drive a scale wagon like Gary (whatta ride!).*

Thank you "Mr. Wizard"....

“ *Gary was a classmate with me in the Maryland State Police Academy in Pikesville, July 1968. He sat right behind me in class (we were seated alphabetically). He always had that smile, that cheerful personality. We were good friends, even though I rarely saw him after graduation. Prayers to his family.*

“ Worked with Gary at Annapolis Barrack and it was always a pleasure to have his company. He taught me a lot about truck weight enforcement. As I am too far away to attend his service this will have to do instead. He will be missed and the world has lost a genuine gentleman. RIP brother!!
