“ *I miss you more than anything. I can't even believe your gone. I can't wait to be with you again Dad. You were truly amazing and you were a great father to us kids. It's like an everyday thing where I see something that reminds me of something we did together and that memory plays in my head. It breaks my heart but it's also comforting. You and Pop-Pop better keep eachother safe up there and GET ALONG :) You goof balls. Don't get too crazy up there without me*##imported-begin##Alexa Shores##imported-end##

“ *My sympathy goes to the entire Shores family. I remember Gary as a little boy and with his funfilled, gregarious personality. As one of the owners of the old Belvedere Market, I knew and enjoyed so many of the children of the neighborhood. He is so lucky to have had such a large family, now his memory will live on through you.*
Sincerely...Kim###imported-begin##Kimberly Mueller Davis##imported-end##
