“ Danny will be forever in my heart ❤️ his passing is a huge loss to everyone who knew him as he truly was a great friend. He was always there to lend a helping hand, an ear for me to vent too, or a shoulder to cry on. Life will never be the same without him in it. Rest in peace Danny. It is really hard to believe that I have to say good bye. You left us way too soon. We have been like brothers forever. It won't be the same coming to work everyday anymore. I will miss seeing you and knowing that you were here taking care of our business like you did for over 40 years. You always looked out for everyone and were willing to help anyone that needed a hand, needed something fixed, a ride or a loan. You were one of a kind and will be sorely missed. I am already cussing you because the train has derailed the last two days!!! REST IN PEACE "JUNIOR" You were one of a kind.
