“ One of my favorite 2nd Dad's. He was the coach that let me play Little League ball when it was neither cool or allowed in the 70's. He always was a great encourager to me and had a lot to do with my own self confidence from an early age. Always was fun to see out and about, because he would always recall a shared memory. We will miss him!

“ Doug I'm really sorry to read this. I can see that you are a good man, because you were raised by a good man. Remember, you will meet again some glad day.
The pain will dull in time, and thinking of your dad won't bring a tear, but a smile instead. Until that day comes, you will be in my thoughts and prayers. God bless you my friend, and God bless your family.
