“ Our thoughts & prayers are with Nick's family at this difficult time. I know he will be greatly missed by all that knew him. He was a great person & always had a big smile & a hug. I have alot of memories from the steam & gas shows that I used to go to with Mom (Joy) & Ralph boy those were the good old days. We would always have a few cold ones & listen to them all tell stories & jokes. Hopefully The boys will carry on that tradition & Nick will be right there with them laughing & having a good time. Your memories will give you strength to get through this difficult time. Know he will be right beside you all the way.

“ As you go through this time of loss, please know that Nick was loved and will be missed by all who knew him. He was a kind, caring person.

You will be in our thoughts and prayers during this time.

I know that Mom and Nick will be catching up on all the news as she has already greeted him.

Find peace in knowing that he is now just waiting for the family reunion.

“ Dear Nancy,
Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why he left this earth so soon, or why he left before you were ready to say good-bye, but little by little, we begin to remember not just that he passed, but that he lived. And that his life gave memories too beautiful to forget.
My deepest sympathy to you and your family.
I send you a big hug,
