“ Mr. George was someone who left footprints on my heart. When I was in my twenties I spent many weekends at No Place and even fell in love with my husband there. When my now husband asked me to marry him Mr. George told me he could not wait to dance with me on my wedding day. He would say that to me each time we saw each other which would always make me smile. Around the time of my wedding Mrs. Shelby became very ill and Mr. George was not able to attend our wedding. I just knew my wedding day would not be complete until we had our dance so after my reception ended I went to No Place and had Debbie call Mr. George to the bar. I stood there waiting for him on the little dance floor in front of the jukebox in my wedding dress and we had our dance. It meant so much to both of us to share that memory along with so many others. Mr. George will forever be one of the memories in my life, that when I reflect back on, will always make me smile.

*Dearest David, Donna & Josh,
The memory of George will live on in our hearts forever. He was always so good to us. I spent a lot of time in "No Place" during my high school years. Learning how to play pool. When I should have been learning from the books. Never once did George tell me what I should be doing. He always listened to my troubles and helped me figure them out. George greeted me with a smile and a kiss every time I saw him. Mrs. Shelby and Dale needed him more then we did and called him on up to heaven. Until we meet again George.....hold the fort down & leave the Angels alone.
Forever in our memories, Never forgotten.
In deepest sympathy, Ruthie & Keith*
