I have known George since he was 14 and I was 15 years old. We dated for a couple of years, then on and off for 8 more years. He was the best...the most fun and adventurous boyfriend I've ever had; we were never bored! If you heard of it...we did it. My family referred to him as the 'boyfriend with the LARGE PERSONALITY' and it was so true. Larger than life.

I hadn't seen George in a number of years, but he always has and always will hold a very special place in my heart and memories 💕

Much love always...Merla Rae Matheny
