

## George Howard Moose Jr.

August 15, 1944 - June 23, 2020

George Howard Moose, Jr. passed away at his home in Saint Michaels, MD, unexpectedly on Tuesday, June 23, 2020, at the age of 75. He was born in Newton, NC, to Frances Hall Moose and George Howard Moose. He is survived by his sister, Millicent Moose Crawford, of Newton, NC.

George attended Newton-Conover High School in Newton, NC, and was awarded a Morehead Scholarship to the University of North Carolina at Chapel Hill, from which he graduated in 1966 with a BA in History. During the summers and prior to his enlistment in the United States Army, George worked in the office of The Honorable Samuel J. Ervin, Jr., United States Senator of North Carolina. George served in the Military Intelligence Branch of the U.S. Army in Vietnam as a First Lieutenant.

George's love of sailing and the Chesapeake Bay started when he met Captain Stanley Larrimore in 1972. Captain Stanley and his wife, Loretta, took George under their sails and he spent many happy summers working with Stanley and Loretta aboard their skipjack, Lady Katy. George was able to combine his love of boating and a career by working for many years at Fawcett Boat Supplies in Annapolis, MD.

George was a lifetime member of the Chesapeake Bay Maritime Museum. He cherished the friendships he forged with the log canoe and sailing community

in Saint Michaels as well as the lasting relationships with both classmates and childhood friends in North Carolina.

A celebration of his life will be held at a later date in Saint Michaels, MD.

Memorial donations may be made to either the Chesapeake Bay Maritime Museum, 213 Talbot Street, St. Michaels, MD 21663 or Grace Reformed United Church of Christ, 117 East J Street, Newton, NC 28658

“ So sorry to hear of George passing. We saw the sign at Fawcetts that said “Fair Winds.” Fair winds indeed to a fine and sweet man

“ *George was a member of our graduating class of 1962 from Newton-Conover High School in Newton, NC. He was a "class act" from beginning to end. Our last gathering was in 2012 for our 50th reunion, and he looked great. I'm so glad I gave him a big hug!! On behalf of our class, I would like to say we are proud of his achievements and his loyalty and friendship.*

*We would like to extend our deepest sympathy to all who mourn his passing. I grew up in church with him, and we were confirmed at the age of 12, so I know how dedicated he was to his church and to his God.*

*Until we meet again, friend....!*

“ I stopped by Fawcetts today and got the shock of my life. When I asked where George was I was told that he had died suddenly last week.

What can I say about George, a man that I worked with for over 17 years at Fawcett.

The worse I could say about him was I never saw george get mad at anyone. And the most I could say is I never saw George get mad at anyone. And everything that comes between.

A nicer man I've never known. He will be truly missed.

“ I have known George on and off since grammar school in Newton, unfortunately, more often off than on. I worked one summer with Senator Sam Ervin after George did, and all the people in the Senator's office had very good things to say about George. When my wife and I moved to Alexandria, Virginia, we reconnected with George and got again to experience his good humor, wit, and kindness. We are very sorry he is gone.
