

George Edward O'Liddy

July 30, 1926 - August 14, 2019

George E. O'Liddy - July 30, 1926 to August 14, 2019

So, if you look in the dictionary under the word optimist, you would find George E. O'Liddy, who left this world peacefully at his home in Stevensville, MD on August 14, 2019 to join his wife Lucille for her birthday on August 15th. George was a man of great love and respect for his family, friends, animals and country.

George was born July 30, 1926 in Detroit, Michigan and was raised in Ottawa, Canada. He went to war at the young age of seventeen, serving in WWII, where he lost his leg, but like every other life challenge, that was just part of what made him an even stronger and determined man, who never complained and just kept reaching for the next dream. George retired from the FAA as a high ranking official at the young age of fifty, and spent most of his retirement years in Anderson, South Carolina. George had a tough last year, losing his other leg, but again was determined to keep fighting and getting home where he belonged.

George was a great son, brother, husband, father, grandfather and great grandfather. George was married to Lucille and together they raised three children, they had five grandchildren, and two great grandchildren.

George was preceded in death by his father, Harry and his mother, Constance, his brother Charlie and his sister Peggy, and his wife Lucille. He is survived by his three children and their spouses, Mark and his wife Laura, Philip and wife Nancy, and Sandra. His grandchildren, Gabrielle, Eamon, Daniel, Morgan and Molly and his two great grandchildren Kennedy and Cullen, his two brothers Jack and Pat and several cousins, nieces and nephews.

We have lost a brilliant, witty, kind and gentle man, whose goal in life was to live his life to the fullest and let others do it as well.

A celebration of George's life will be held later this year. In lieu of flowers, please make donations to the Alzheimer's Foundation, alzfdn.org/donate.
