“ *Speed always had a smile and kind words for me. Any time, every time; the kind of smile that lights up a whole face and invites others who see it to smile too. I'll remember him as a jolly, playful man who took living a good life seriously, and I will very much miss his energy.*

“ George "Speed" Schaal was my uncle and I will miss him every day. He was a special man that I've always looked up to, he was like a father to me and I always had the utmost respect for, he helped me in so many ways through my growing up years and I loved him so much but he is in heaven now.

PS

“ My sincere condolences
Speed was my double brother, a freemason and a police officer!
Also, we're both German! Im so glad we kept in touch, after he retired all those years ago, we always sent Christmas cards and spoke on the phone a few times every year, it was always so nice to speak police history with double brother dutch, as he was our most senior retired officer! Till we meet again, double brother speed

Everything David spoke of of in a celebration of "speeds" life, epitomized all the tenants of freemasonry, of which he lived his whole life! How great thou are, is often sung at the begenning of masonic meetings, brought back many good memorys. It cut off after an hour, dont know if it was a glitch or was the end of the service, in any event great job! bro paul stahl
