

## George "Simmy" Bartlett Simmons II

August 4, 1956 - October 15, 2024

George (Simmy) Bartlett Simmons II passed away on October 15, 2024 surrounded by loved ones. He was born August 4, 1956 in Clarksburg, West Virginia to the late George and Margaret Simmons. Simmy is survived by his beloved daughter, Jordan Robertson (CJ Robertson), his grandchildren who were his pride and joy, Peyton and Charlie, his sister Sherry Sharp (Alan Sharp), his brother Stefan Simmons (Marti Simmons) and his beloved nieces. In addition, he leaves behind countless friends who loved and adored him.

Simmy was loyal and devoted to his job. He worked over 40 years at Academy Ford as the Body Shop Manager. It truly was his second family.

Simmy's heart lived in the hills of West Virginia, deep in the woods with no electricity, running water or WIFI, just some beer, guns, four wheelers, those he held closest to his heart and LOTS of laughs.

Have you ever heard of the saying "Life's journey is not to arrive at the grave safely in the well preserved body, but rather to skid in sideways, totally worn out, shouting "what a ride!" Simmy did just that.

A memorial service will be held at the Kent Island Methodist Church 2739 Cox Neck Rd, Chester, MD 21619 on October 24th at 11am with a 1 hour

gathering prior to the service. In lieu of flowers, memorial contributions may be made to the Julianne Rosela Foundation. <https://juliannerosela.org/donate/>

“ I am heart broken to hear of Simmy's passing! To Jordan, his family and friends, I'm sending all of you many Hugs and Prayers

*Simmy was a beautiful person, a true friend, a brother! He really was the best, we loved how he loved us and will never forget him and his ways, He was one of a kind. I knew, from the first time I met him, we connected.*

*All the years of coming to visit our Family, Joey & Lucy Hudson, for the crab Olympics, weddings, Christmas or party's and in recent years , the baby showers, Me, My wife Krissy, Donna and woody, would look forward to seeing simmy. We would talk alot about how our year was, how are lives were going and how our families were doing, he was that kind of person, always kind and considerate and ready for conversation and of course, to break balls, not just with me but with everyone! Lol*

*Simmy, most of the time, took the brunt of the ball breaking but he was the best because he not only dished it out, he could take it with the best of them and that's what made him one of the best people I've come to know.*

*One funny thing I'll never forget about him, besides Simmy introducing us to what he thought was the best alcoholic mixture of all time (you probably guessed it) BUBBLE GUM VODKA, is, Simmy looked forward to the delicious Stromboli's That Donna and Woody would bring down for him and the family and so every year, as we arrived, he was always the first one waiting there, mouth watering, waiting for his strombolis. lol !!*

*I'm crying just writing this because I also know, he always asked about me personally and always wanted to know if I was coming down or already there and that respect of our friendship, meant a lot to me.*

*Every year, we greeted eachother with a hug and handshake and talked about all that is life.*

*Simmy truly became a great friend of mine all those years ago and it was a friendship that I thought would have lasted a long, long time but his life was cut short and I'm heart broken to say the least .  
Simmy will be missed so much, by so many.  
What will also be missed, is His laugh, kindness and presence, which he brought into any room he entered but that's how I will remember him, for the rest of my life !!*

*Simmy, I will miss you my good friend, May your soul rest in eternal peace, untill we meet again. 🙏🙏🙏🙏*
