“ I did not know George but his mother worked for my parents for 20 years. She was a wonderful woman who cared for me as a child. He definitely was fortunate to have a mother like her. I am certain he was greeted in heaven by her. He must have been very special. My condolences to his family.

“ Thank you, George, for touching my life like no other. You were a special man that sometimes frustrated the bejeezies out of me and at the same time, made me realize it is the simple things in life that really matter! You will be missed by many. I am sorry that I cannot attend the service, but I will remember you with love and gratitude. It was an honor to have known you! You taught me more than any text book ever could. May you walk the golden paths of heaven with your duffel bag full of treasures. Tony and family- I am so sorry for your loss. Your are in my thoughts and prayers.
