

George Dennis Walling

February 22, 1947 - January 28, 2017

George Dennis Walling of Chester, MD, died on January 28, 2017, at his home surrounded by his loving family. He was born on February 22, 1947, in Washington, DC. He would have been 70 on his birthday next month. He was the son of the late William F. and Doris Donohoe Walling.

George grew up in Prince George's County and attended Bladensburg High School. He had a successful career as a General Contractor and owned and operated Wal Coatings, Inc.

George "The Patriarch of the Family" was loved by many and left his mark on everyone that he met. He also went by "Poppi" and "Uncle George." He had a signature dance move and a fun loving attitude that always brought life to every situation and would want the party to go on. Nothing will be the same without his presence in the physical form but we have so many memories to cherish him by that he will never be forgotten. He loved life, the water, the boat and the beach. He moved to Chester, MD, in 2010, and was able to enjoy life to the fullest on the Eastern Shore.

He is survived by his beloved wife of 38 years, Susan Walling; daughter, Alecia Wright and her husband Michael; son, Matthew Walling and son, Damien Walling and his wife Erica; two grandchildren; Peyton and Teagan; and his siblings Martha, Greg, Diane and Darlene. In addition to his parents,

he was predeceased by two brothers, Joseph Walling and William Smith.

A visitation will be held from 2-4pm and 6-8pm on Thursday February 2, 2017, at the Fellows, Helfenbein & Newnam Funeral Home, P.A. in Chester, MD, where a funeral service will be held at 11am, on Friday February 3, 2017. “ As a cousin of George, there were so many occasions that we would all get together and George made it his duty to make sure a good time was had by all. If you can leave this life with anyone you crossed paths with and they sincerely will never forget the wonderful, fun person you were, you have made your mark. My condolences to all of his family who so loved him 🍀❤️ RIP you did make a difference
