“ To Nancy and the entire Wolf family,

Words cannot express how deeply sorry I am about George's passing. Not only did I spend 9 wonderful years working with George, but I also had those same 9 wonderful years of having a very dear friend. I can tell you that his #1 purpose was always the caring for the well-being of his family, but he also always took the time to show his interests and concerns with everyone who knew him. I will cherish all the great memories being associated with George from a business standpoint, but those memories will be far outweighed by the memories I've cherished of George as my friend. We all have lost someone who has touched out hearts in so many ways, but we will never lose those great memories of George. May God bless you all.

“ *To all of George's beloved family, we send our deepest thoughts and prayers. I have worked with George in the Green Bay, WI office for years. George is an example of a great man! What makes a great man in my eyes is someone who loves life, loves his family and loves his work. He is also a person who takes time for people and cares for them. These characteristics have been exemplified in George. We will miss you, George.*

“ For the family of George Wolf, my deepest sympathies to you at this most difficult time. I worked with George in the Green Bay, WI Office. George was a wonderful gentleman. He made time for everyone, was interested in each person's story, and had a way of making each person feel special. I know I'm a better person for having known George. I will always picture George arriving at the office - in his cowboy boots, his big silver belt buckle, a handsome jacket, a welcoming smile, a story to tell, and that great welcoming hug. I miss you dearly Georgie! George always talked about his wonderful wife Nancy, his children, and his grandchildren with a special look. My heavy heart goes out to all of you. I'm so happy that George was my friend.##imported-begin##Lynn Peterson & Family##imported-end##

“ George was a True Gentleman in every way, a Man of Wisdom, a Man of courage and most of all a True friend. He always had a smile on his face, never in a bad mood, always wanting to do more to excell above all and offerd his help to everyone. He always went above and beyond expectations. His family was the most important part of his life and work was secondary only to assure that his family was always taken care of. I have been very blessed to have George as a friend for over 20 years, and knowing him has made me a better person. Nancy, Cindy, Stefani, Doug and Kevin , our Prayers are with you all, we will truly miss George as we consider him a part of our family.

Love to all,

“ Dear Aunt Nancy, Cindy, Kevin, Stefani, Doug and families,

Dennis and I are so sorry for your loss. We are praying for each of you and will be in town for the services. I know words cannot heal this pain. Uncle George will be remembered by me as the Wolf family patriarch, a natural born leader who was self-motivated and driven to give his family more than he had himself. I hope I can provide some measure of support and love like you all did for us when you came into town for dads funeral.

With love and a heavy heart,
